

This week we will study about a king who had a dream but couldn't remember it, and how Daniel asked God to reveal the dream and its meaning.

Torchlight

"Together they sought for wisdom from the Source of light and knowledge. Their faith was strong in the consciousness that God had placed them where they were, that they were doing His work and meeting the demands of duty. In times of perplexity and danger they had always turned to Him for guidance and protection, and He had proved an ever-present help. Now with contrition of heart they submitted themselves anew to the Judge of the earth, pleading that He would grant them deliverance in this their time of special need."

LET'S READ:

Daniel 2:1–13

KEY TEXT: Daniel 2:1

"Now in the second year of Nebuchadnezzar's reign, Nebuchadnezzar had dreams; and his spirit was so troubled that his sleep left him."

LET'S THINK ABOUT THIS

We discover that King Nebuchadnezzar had a disturbing dream which woke him from a deep sleep. He was extremely troubled because on awakening, he could not remember the dream. He immediately called his pagan wise men, magicians, astrologers and sorcerers. In Deuteronomy 18:9-14 the Bible clearly warns that the practices of magicians, astrologers and sorcerers are an abomination to God. In other words, their so-called wisdom comes from Satan who is God's enemy.

At first the king offered gifts, rewards and great honour to anyone able to tell him the dream and its interpretation. Because the dream came directly from God, Satan was not able to pass any information to the pagan wise men. These men were now looking foolish. Finally, the king became extremely angry and ordered Arioch, the captain of the king's guard, to destroy all the wise men of Babylon.

TRUE OR FALSE

LET'S READ:

Daniel 2:14–16

KEY TEXT: Daniel 2:16

"So Daniel went in and asked the king to give him time, that he might tell the king the interpretation."

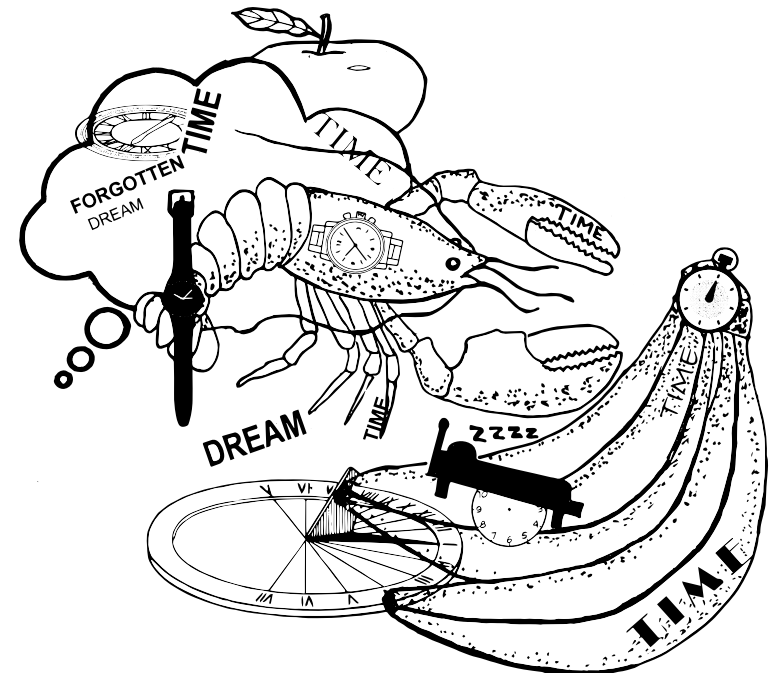

LET'S THINK ABOUT THIS

Daniel and his three friends constantly depended on God's power in all matters, whether small or very important. So, it was no surprise that Daniel asked Arioch for a little more time so that he and his friends could pray to God and ask for God's guidance in this very important matter.

LET'S READ:

Daniel 2:17, 18

KEY TEXT: Daniel 2:18

"that they might seek mercies from the God of heaven concerning this secret,..."

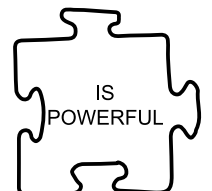

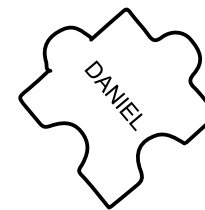

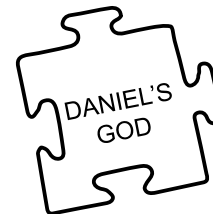

LET'S THINK ABOUT THIS

Daniel knew that only the true God of heaven knows everything. Daniel therefore asked Arioch for a little more time so that he and his friends could gather together for a very earnest prayer meeting.

How loving, caring and powerful is the God we serve! We also know from James 5:16 that the effective, fervent prayer of a righteous person, one who is doing the right thing, carries a lot of weight with God. God wants to deliver us out of trouble and make us happy. Happy, caring Christians are a powerful and effective witness to others about the love of God.

Proverbs 28:9

KEY TEXT: Proverbs 28:9

"One who turns away his ear from hearing the law, even his prayer is an abomination."

LET'S THINK ABOUT THIS

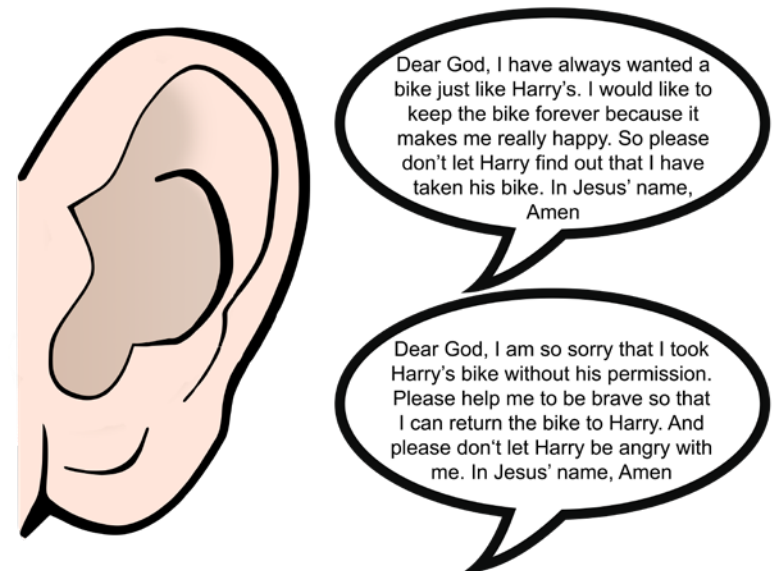

For God to answer our prayers in such a powerful way, as He did for Daniel, we need to be humble and obedient just as Daniel was humble and obedient. Our text for today, in Proverbs 28:9, warns us of this.

The word "abomination," used in today's text, means hateful, sinful, wicked, or vile.

This word "abomination" is also used in Leviticus 11:3-23 when describing certain foods such as camel, rock hyrax, swine (pig), and other foods that God says we should not eat.

FRIDAY

LET'S PRAY Dear God, I want to thank You and praise You because You can give me wisdom and might, just as You did for Daniel.

LET'S READ:

Daniel 2:20-23

KEY TEXT: Daniel 2:23

"I thank You and praise You, O God of my father; You have given me wisdom and might, ..."

LET'S THINK ABOUT THIS

What's the first thing we should do every time God answers our prayers? Yes, thank Him. And that's exactly what Daniel did. His prayer was full of joyful praise and gratitude to God for saving their lives!

The rulers of the earth may think they are in control, but we see from our reading today, that they are only in those positions because God allows them the opportunity to rule. As we previously discovered, with the various kings who ruled over Israel, some rulers chose to use their power for good while others used their power for evil. However, in the coming weeks we will notice that God prospers good rulers and removes wicked ones.
