We've hidden a message of surrender in this puzzle.

To find it, you will have to start at the correct letter (which one is it?) and then read every second letter, going in a clockwise direction.

Next, go to Esther chapter 4 and find in which verse this life or death decision is found.

How long will it take you to discover what it is?

“ MY MAIDS AND I WILL FAST...
AND IF I PERISH I PERISH ” Esther 4: 16
