SABBATH

Lucifer was once a beautiful angel created **perfect** by God. But very slowly, he began to be **jealous** of God's position in heaven. Lucifer wanted to be first, to have a throne and be worshipped like God.

Lucifer spread cunning **lies** about God all through heaven. He claimed that he would be a better ruler than God. One-third of the angels finally chose to believe Lucifer. With Lucifer, they left their places, and were cast out of heaven. Lucifer was now **Satan**, God's **enemy**.

By telling lies about God, Satan deceived **Eve**, just as he had deceived the angels in heaven. Eve tempted **Adam**, and he also ate the fruit from the tree of the Knowledge of Good and Evil. Adam and Eve were **guilty** and deserved to suffer the **penalty** of sin, eternal **death**. But God's **mercy** is so great that He promised to send Jesus to pay the **price** of sin so that they and all people (for we all have sinned) could have another chance to gain **eternal** life
