SABBATH

Through Adam and Eve's sin, Satan interrupted the relationship between God and human beings. Although we have rebelled against God, He still loves us and has made a plan to save us. God's plan included a way for us to be reunited with Him through Jesus.

Jesus has helpers in His work of salvation. He often sends heavenly angels, who fly as fast as lightning, to help us. The most special helper Jesus sends is the Holy Spirit. He is the third person of the Godhead and He is the One who revealed special secrets to God's prophets. They were holy people who prayed and studied God's word to learn as much as they could about God's plan. The things the Holy Spirit showed the prophets are often called revelations. Through revelations, the Holy Spirit taught the prophets more about Jesus, the plan of salvation, right and wrong, and heaven.
