MONDAY

The Bible is a very special book, unlike any other, because it is not just the words of people. Complete the blanks below to discover who really wrote the Bible.

“And the **Lord** said to Moses... **write** down this song for yourselves, and teach it to the children of Israel.” Deuteronomy 31:16,19.

SABBATH

God had chosen Abraham's family, the nation of **Israel**, to receive His blessings so they could share them with others. When **Satan** realised God's plans for Israel, he worked really hard to deceive them, and nearly succeeded. Almost all the Israelites listened to Satan's **lies**. But God always had a faithful **remnant** who remained true to Him.

From the remnant, God chose different people to do different jobs, and gave them special abilities through the **Holy Spirit**. One of the most important jobs was to make an **accurate** record of God's acts in the past (**history**) and His plans for the future (**prophecy**). The Holy Spirit gave **visions** to some people. Others collected historical information from reliable sources. All of the Bible was written by the **inspiration** of the Holy Spirit. That means the Bible is **true** from beginning to end. God has taken care of His word and **preserved** it right to our time.
